Profile

I am a Diploma In Film student who is currently seeking an internship placement for 14 weeks starting from 6th October 2025 until 25th January 2026. I am offering photography and videography skill as well as editing skills. Fluent in Malay and English and have an outstanding communication skill. I am also able to communicate with Sarawakian Malay dialect and Iban language.

I am currently looking for a preferable position as video editor intern since my major is mostly about video editing and camera usage. I believe that by working with well-established and thriving companies will offer a lot of career knowledge and profits.
